

The Studio 39 series is inspired by Pietra Serena, also known as Macigno stone, a grey sandstone used extensively/ely throughout Renaissance Florence architecture and loved for its natural elegance and versatility. Emulating the ever-colouring and fine grain of Pietra Serena, Studio 39 boasts a mix of cool and warm grey colourways and is fully coordinated with various sizes and finishes. Comprised of durable colour-body porcelain, Studio 39 will create exceptional results from commercial spaces to high-end contemporary homes.

surface finish - matt tiles

Matt finish tiles are relatively less reflective and duller than gloss tiles. Their less smooth surface makes them ideal for floor and wall application creating a tranquil, soothing space in your home and office. Matt finish tiles are ideal for bathrooms, kitchens and entrance hallways. They can also be used in high foot traffic areas due to their durability and good slip resistance. The most important advantage of matt finish tiles is that they don't scratch easily and remain their look for a long time.

material - porcelain

Porcelain tiles go in sync with well-appointed furnishings of homes and offices because they offer unmatched variety of colours, shapes and sizes. A creative expression of your personality, porcelain tiles are a great choice for your home. Tiles are highly durable with a longer life span. These tiles are also freeze-proof, rendering them the safest choice for homes and offices. That's not all. They are ideal for outdoor use such as patios with high foot traffic and are the perfect solution for cold climates because of their frost-proof exterior. Their strength and non-porous nature make them highly resistant to staining. You can lay them by using an adhesive, grout and silicone sealant.

edge - rectified

Rectified tiles are mechanically trimmed during manufacturing, generally with a diamond blade allowing for a smaller grout joint. The smaller grout joints give a seamless look and the same size and have square edges. They look very straight and square. These tiles are ideal when thin, clean and precise grout lines are required.

Product specifications

SKU	NT19-6605FL
Series	STUDIO 39
Warranty	STANDARD (10 Yrs Tiles)
Look/Design	Limestone
Variation Rating	V2
Slip Rating	N/A
Pendulum Rating	N/A
Size	600x600
Surface Finish	Matt Tiles
Colour	Londra
Material	Porcelain
Area	Floor, Wall
Edge	Rectified
Unit of Measure	M2
Length	600
Width	600
